11:06:06 From Alan Stratton : www.AsWoodTurns.com
Weekly and demon on request
11:07:16 From Pat Carroll : Hi Everyone. I am doing a remote demo 7pm Irish time tomorrow Sunday 28th. Hollowing tools and techniques. More info www.patcarrollwoodturning.com
11:14:13 From Doug Drury : will the recording be available to be downloaded?
11:14:22 From Cynthia Gibson : yes it will
11:14:48 From Cynthia Gibson : we will inform all participants when it is available
11:24:19 From Samy Savignac : have you ever try to save the center with coring
11:28:30 From Dustin Cook : Now you have a pen blank
11:36:26 From Don Bonnett : how thick is the lid blank?
11:41:15 From Alan Stratton : Looks like a little run out on the live center.
11:42:55 From Bruce Scism : we can hear you fine
11:42:59 From johnpotts : Can you over tighten the tail stock?
11:43:03 From Tod Raines : we can hear you
11:43:06 From Doug Drury : You're good Cindy. We can hear you
11:43:31 From Tod Raines : yes
11:54:18 From Doug Drury : Do you ever use an expansion rebate to mount with a burl?
11:54:48 From Samy Savignac : You are doing very well Cindy

12:11:27 From Cynthia Gibson : TransTint Dye: Woodcraft.com,
Homestead Finishing Products

12:17:14 From Cynthia Gibson : Sandpaper: TurningWood.com,
thesandingglove.com

12:19:24 From Doug Drury : to what grit level did you sand to?

12:24:20 From Cynthia Gibson : Youtube channel: <https://www.youtube.com/user/cindydrozda>

12:27:23 From Scott Hampton : Why didn't you color the wood after cutting the recess for the lid?

12:28:41 From Scott Hampton : Makes sense. thanks.

12:30:47 From David Drickhamer : Why don't you shape the outside before doing the inside?

12:35:26 From Tod Raines : I find it easier to conform an outside shape to an inside shape rather than the other way around.

12:36:36 From Douglas Stevens : could you clear some of the shavings off the banjo to improve view please.

12:38:19 From Mark Forry : Can you use a vacuum chuck as opposed to a jam chuck?

12:40:13 From Chukk Browder : Cindy, is now a good time for a break?

12:42:34 From David Drickhamer : Are you concerned with the color rubbing off onto the jamchuck.

12:44:15 From Christine Smith : Do you have an issue with the color fading after a few months?

12:44:54 From Dave Hulett : gotta drop off. Am attending the AAW meeting will catch the remainder when the recording is posted. Cindy, thanks!

12:44:54 From Cynthia Gibson : <http://www.cindydrozda.com/>

12:47:11 From Guy Laizure : Have you tried any of the Chestnut brands dye

12:48:56 From Don Prorak – FRW CO : Did you also mention using pen ink in a previous demo?

12:50:14 From Mark Forry : India ink is very colorfast..

12:50:19 From Carl Burn : Hello Guy, we tend to use Chestnut products a lot in the UK

12:50:38 From Mark Forry : Comes in a variety of colors

12:51:16 From Pat Carroll : I think Phil Irons uses Trans tint

12:51:18 From Cynthia Gibson : I use Faber–Castell inks

12:51:19 From David Buskell : Haven't see TransTint in any of our shops

12:51:23 From Pat Carroll : Not available here

12:51:34 From Cynthia Gibson : Lots of ways

12:51:47 From Cynthia Gibson : pens as well as free flowing

12:52:26 From Keith Mosley : Transtint dye available in UK from Amazon but very expensive

12:52:31 From Carl Burn : Phil also uses Morrell colours which are readily available in the UK but come in large bottles!

12:52:44 From Doug Drury : To Canadian supplier of TransTint, but there are some US distributors that will shop world wide. Expensive

though

12:53:07 From Denis Delehanty : Faber Castell pens are India ink.
12:53:09 From Dale Guilford : you mentioned gold leaf for edges, is it in any of your videos
12:53:48 From Doug Drury : There is a fellow in our club that uses a metallic paint for the edge.
12:54:24 From Scott Hampton : I use gold leaf 'paint'.
12:55:57 From Scott Hampton : I use 'marine black' leather dye to blacken edges and finials.
12:56:58 From Scott Hampton : marine black is the blackest leather dye
12:58:31 From Douglas Stevens : please clear dust from banjo
12:58:52 From Doug Drury : You don't true up the side of the block as well to reduce vibration?
13:01:37 From Cynthia Gibson : Sharpening Gouges: <https://youtu.be/rhEewtRlkNA>
13:13:52 From Pat Jenkins : Are you on the high speed pulleys?
13:17:15 From Dean Humphrey to Cindy Drozda(Privately) : I like your tape tip.
13:34:57 From Cynthia Gibson : Jewelry Supply: Riogrande.com ~great source for jewelry findings and stones
13:40:45 From Cynthia Gibson : Transfer diameter with calipers: <https://youtu.be/ubmdweVNjaU>
13:49:35 From alan templeton : such an awesome demo unfortunately I have to go off for a few
13:50:09 From Don Prorak - FRW CO : Do we need to be concerned about voter suppression?
13:54:57 From Don Prorak - FRW CO : Does the dye interfere at all with the glue joint on the finial?
13:55:13 From Edgar Sims : Cindy, do you use a different brush for each color?
14:16:59 From Arthur Rouse : Thanks, Cindy, for another fascinating and instructive demo. I'll catch the end of the demo on the recording.
14:17:48 From Cynthia Gibson : Gold Engraving Filler: Amazon, CindyDrozda.com
14:22:17 From Arthur Kingdon : Is Titebond OK for gluing blackwood finials?
14:23:10 From David Buskell : I think it should be
14:27:47 From Chukk Browder : What do you use to cleanup the squeeze out with epoxy?
14:31:14 From Cynthia Gibson : Bravo!
14:31:20 From Ivan Wasylyshen : Thank you very much, Cindy! Excellent!!
