02:37:45 Jo Miller: can you explain the tapered one again

02:47:37 Michael Kratky: Got it thank you Cindy, now I can sit back and watch the artist at work.

02:47:41 Woody Collingwood: If there was no inclusion, would the number have been shifted? or just go counterclockwise?

02:48:11 Bob: Cindy,

02:48:40 Bob: Are your number 2's in the same plane?

02:49:17 Sue Goddard: In the handout, is the horizontal (orientation) line on the bottom of the top drawing and the top of the bottom drawing?

02:49:55 Jo Miller: so tapered box would not have numbers rotated – just different size on top and bottom?

02:50:42 David Pollatta: Top and bottom drawings are mirror images

02:53:48 Paul Permakoff: don't you need a tenon to mount it after the twist?

02:53:50 Chukk Browder: Do you need to part into the red diameter now?

02:54:26 Vernon Danielsen: Barbara Dill has a drive center that has deep teeth and fewer than the Steb center

02:57:18 Russell Bremmer: FYI: before there where clocks the directions where sunward (right handed) and widershins (left handed). Wonder if those terms will come back?

02:58:23 Hans Meier – Georgia: are you taking away points

03:01:19 Russell Bremmer: what happens if you make the green circle smaller?

03:14:48 Russell Bremmer: have you tried a twisting 2/6 turn?

03:23:22 Russell Bremmer: what happens if you make the sides concave or convex?

03:23:28 Vernon Danielsen: Are all of your drawings on your website. I only found 2

03:25:00 Robert: How do I remove everyone else so I only see you? I think my video will work better.

03:26:21 Cindy Navarro: choose the hide thumbnail button

03:26:55 Mark Hancock: Why don't you use the lathe to hold the piece when sanding?

03:27:50 Mark Hancock: No stop spinning
03:28:51 Mark Hancock: Yes I understand and agree
03:29:25 Dick Koch: Is your toolrest parallel to the lathe bed?
03:30:53 Maryalice Birk: Have you tried cutting out the box before turning the outside?
03:35:32 Dale Quakenbush: would my robust 1/2" live center work ?I have the stud center with teeth.
