Greetings Cindy. Please, I'm using the lacquer paint stick for the first time for filling in my signature after using the dremil. My bowls are finished with Minwas Antique Finishing Oil, then after Dermil my signature, the lacquer paint stick. Do I just let that dry or coat it with something to "seal it" ??

10:49:20 From Cindy Drozda to Paul Johnson(Direct Message):
I don't seal it
